

SUMMER CAMP AT Studio Bella FOR KIDS!

Welcome back to summer camp- a camp that is full of traditions creativity and fun!

Studio Bella for Kids is offering three summer camp sessions during the summer of 2023. These summer camp sessions will offer consistent care in a two-week, a three-week session and a four-week session. You can choose one, two or the full summer package. Aftercare is offered as an add-on option.

Studio Bella's Summer camp is known for being filled with activities that are fearless, creative and fun, fun, fun!!! Summer camp will have engaging and enriching activities that foster team work, creativity and problem solving. As a STEAM based studio, we focus and fuse the the 5 fields together throughout the summer. Our traditions create long-lasting memories for our campers. And two of those traditions include campers creating their own tie dye Studio Bella t-shirt and a fantastic scavenger hunt. (Campers LOVE this tradition!)

- PK 4 (Must be 4 by May 1, 2023) – incoming 5th graders.
- Children will remain with the same group of campers for the session(s) of camp they attend. Kids will be grouped by age. To register, 50% of the tuition is due (25% of the total tuition serves as a nonrefundable deposit). On April 15, the final 50% of tuition is due and will be auto drafted from your account. If you register after April 15, tuition is due in full.

- Want to attend with a friend? Please note: ONE friend in your registration. They must be in the similar age range. If age ranges differ, we place friends in the age group of the youngest camper (of the pair). We will do our best to honor your request, but the request is not guaranteed.

CAMP DETAILS:

Children will remain with their camp group for the session(s) of camp they attend. Kids will be grouped by age. Our child to caregiver ratio is 1:10 to 1:15. Limited spots will be available so register early!
